- b) The reminder of the paragraphs are opinions and simple facts of law. Those paragraphs which express opinions and conclusions are entirely based upon the said misleading and wrong matters and things contained in the remaining paragraphs and are therefore wrong opinions and conclusions.
- c) It is difficult to imagine a more completely wrong and deficient Judgement.
- d) Those paragraphs relating to the purported releases are also based upon the erroneous paragraphs and are therefore also wrong.

I submit that no costs orders should be made and I submit that any costs orders made should be stayed pending appeal.
