 OFFICE

Dear Mr & Mrs Thompson

**Coliban Region Water Authority (& anor) ats Yourselves
 Supreme Court Proceedings 6321 of 2005**

We have recently received from the Court authenticated orders as made on 29 November 2006 and 7 December 2007, and we enclose by way of service sealed copies of those authenticated orders.

We note that your present appeal has been filed out of time in relation to the orders made on 29 November 2006.

In relation to the issue of security for costs of the appeal, the Court has not made the orders as per the minutes of consent orders that you had signed. We request that your legal advisers write to us and to the Court confirming that you consent to the Court making those orders, as the Court may be concerned that you had signed the minutes of consent orders without the benefit of legal advice.

Yours faithfully

 Steven Edward
