Dear Sir,

Pt 132 Parish, Lauriston - Trentham Road

Council are concerned about the delay in completing the works of the above subdivision.

I understand from the rate records that at least two of the lots have been sold and the owners have inquired of Council when the works will be completed.

It is considered that the watermain should be laid forthwith and the roadworks commenced immediately.

I would be pleased to have notice of your intention prior to the Council meeting on the 19th May, 1982.

Yours faithfully,

  
S.G. PORTER  
SHIRE SECRETARY
