WHITTLESEA, VIC. 3757

Dear Mr. Thompson

I refer to your complaint alleging offences of fraud against Kenneth Buchanan, William MacLean and General Credits (now A.G.C. Finance). I wish to advise you that the police investigation has been completed, and that the evidence does not support the laying of criminal charges.

I would suggest that you consult your solicitor who would best be able to advise you on the remedies available in civil jurisdiction.

Yours sincerely
