CARRIED.

INWARD CORRESPONDENCE

Department of Water Resources, Victoria: Re Contract W550 and W551, Stanyer
Subdivision. Re Engineers' letter of 25th March, 1985, concerning the proposal
to install 408 metres of 50mm and 100mm diameter water mains to serve 36
allotments in a new court off Edgecombe Road, Kyneton, at an estimated cost of
\$9,527-00. The developer will be required to pay the full cost of the work
under Section 307AA of the Water Act, and also \$24,500-00 in headworks
contributions. Advising that the plan has been approved by the Minister for
Water Resources.

RECEIVED.

L. & S.C. Ryan: Applying for the continuation of water supply to the
existing troughs on their property in South Kyneton.

Recommendation : Engineer to report.

M.A. Bell, Cosmo Road, Trentham: Re dissatisfaction with the quality of water
Trentham.

Recommendation : M. Bell be advised of action being taken by the Board in the
matter.

Australian Institute of Petroleum Ltd.: Forwarding information re unleaded
petrol.

RECEIVED.

Victorian Water and Sewerage Authorities Association: V.W.S.A.A. 19/85.
