Dear Mr. Thompson,

I acknowledge receipt of your facsimile and email sent on 14 February 2006.

I deny the allegations you make against me.

I am very surprised at these allegations now being made by you having regard to the expressions of gratitude and praise I received at the end of the hearing.

It is obviously not appropriate that I act for you any further in this matter.

Please be advised that my new fax number is 9670 7086, but my email and telephone number have not changed. "Private and Confidential" correspondence should be sent to my postal address or by email.

Yours sincerely,

**John E. Middleton**
