BUILDING PERMIT

SCAFFOLDING PERMIT

FOOTPATH CROSSING PERMIT

(Delete where inapplicable)

THIS PERMIT IS NOT VALID UNTIL THE PRESCRIBED FEE HAS BEEN PAID AND THE AMOUNT THEREOF ENTERED ON
THE FACE HEREOF.

BUILDERS ARE HEREBY ADVISED

1. That an approved crossing must be provided to protect the footpaths, kerbs, channels, earth drains and/or nature strips from damage during building operations.
2. Concrete footings must not be poured until the trenches have been inspected and approved by the Building Inspector. Twenty-four hours notice is required.
3. It is an offence to build contrary to the approved plans and specifications. All changes must be submitted to and approved in writing by the Building Surveyor.
4. Building permits for class 1 and 1A Building shall lapse if not completed within 24 months of issue of permit as provided in clause 504 of the Uniform Building Regulations.
5. BUILDINGS MUST COMPLY IN ALL RESPECTS WITH THE REQUIREMENTS OF THE UNIFORM BUILDING REGULATIONS AND THE SCAFFOLDING REGULATIONS, NOTWITHSTANDING ERRORS OR OMISSIONS OF THE APPROVED PLANS AND SPECIFICATIONS.
