5th March, 1981.

The Secretary,
Kyneton Shire Waterworks Trust,
Shire Hall,
KYNETON. 3444

*Application for water
on special meeting.*

Dear Mr. Porter,

As you are aware, a permit for Woodleigh Heights Resort Development has been issued by the Shire of Kyneton for the building of luxury holiday flats on the Woodleigh Heights subdivision.

This development will attract many hundreds of people to stay in Kyneton which will have the desirable effect of creating employment both within the development and locally.

We are at present applying for recognition as a decentralized industry, being tourist orientated.

It is my intention to show the members of the Council and Watertrust Commissioners the project in the near future.

13
My request at this time is for the supply of water to the project. We have 2 x 50,000 gallon water storage tanks on the site and would be agreeable to one of two methods of supply.

(i) As it is a cluster, that the Body Corporate purchase from the Watertrust 1,000,000 gallons of water annually and operate the internal water supply network themselves, realizing that we would be paying to extend the service to the Estate

or

(ii) That the Trust operate and maintain the service

Mr.			
Mr.			
Mr.			
Mr.			

It would no doubt, be simpler to operate as in the first option, however we will be pleased to conform with either.

Yours faithfully,

K.R. Buchanan

K.R. BUCHANAN
