Dear Sir.

Re:- M.C.L. & Woodleigh Heights Land

I confirm my previous advice that I am of the opinion that you have a conflict of interest in acting for both Woodleigh Heights Resort Developments P/L and for M.C.L. in respect of those matters related to that land which was beneficially owned by myself.

I also confirm my previous advice that as I perceive a conflict I am unable to divulge to yourself or to M.C.L. any information in my possession which relates to either the Land or to the actions of Woodleigh Heights Resort Developments P/L and others in relation to the land.

Yours Faithfully

  
Glenn Thompson.
