

*laid in 1982" then the Council "had in fact sealed the plans of cluster subdivision in contravention of its statutory duty to refuse to seal them ..."*<sup>78</sup>

87. What Mr Thompson fails to mention and what the objective documentary evidence establishes, is that he was aware and had been aware, at least since August 1987 (if not before), that the "reticulated water supply" had been laid in 1982 and not 1979.
88. The objective documentary evidence, in particular Mr Thompson's own correspondence, establishes that Mr Thompson was aware from at least 1987 that the reticulated water supply was laid in 1982. By a letter dated 24 August 1987, Mr Thompson advised the Council as follows concerning the "reticulated water supply" on the Woodleigh Heights subdivision:

"25. Sometime in 1980 or 1981 the timing of which is irrelevant the Kyneton Council approved the resubdivision of the Woodleigh Heights Subdivision into 131 allotments.

...

27. By minute dated 6 November 1980 the Kyneton Water Board resolved to advise the Kyneton Development Committee that it could supply 1,000,000 gallons annually in any reticulated area and that any anticipated consumption in excess of that figure would be subjected to negotiation.

...

30. Kyneton Water Board did subsequently enter into a water supply agreement between itself and Woodleigh Heights Resort Developments Pty Ltd for the supply of water to the whole of the Woodleigh Heights Subdivision.

...

33. Subsequent to the making of the above agreement trenches were dug and pipes laid along a considerable length of Edgecombe Road in order to facilitate the supply of water to the Woodleigh Heights Subdivision.

...

112. The Board under cover of letter dated 12 September 1985 made a copy of the agreement available [being the agreement referred to in paragraph 30 of the August 1987 letter] after my solicitor threatened to take legal action to force the Board to make a copy available.

<sup>78</sup> See para 54(a) of the Thompson summary judgment affidavit.

113. *My Supreme Court action No 2360 of 1984 was settled on the day that the copy of the agreement was received at the office of my solicitor which was too late to be considered."*

89. The 24 August 1987 letter is exhibit "GT-1" to the affidavit of Mr Thompson sworn 14 December 1998 in the prior Woodleigh Heights proceeding<sup>77</sup>.

90. The agreement between the Kyneton Water Board and Woodleigh Heights Resort Developments Pty Ltd "for the supply of water to the whole of the Woodleigh Heights Subdivision" was dated 1 January 1982 ("the 1982 water reticulation agreement"). A copy of this agreement is exhibited to Thompson 3<sup>78</sup>. Clauses 1 and 2 of the agreement are in the following terms:

"1. *The Trust shall (subject as hereinafter provided) so far as it is able to do so subject to the provisions hereof and of the WATER ACT 1958 and regulations made thereunder and any BY-LAWS and REGULATIONS made by the Trust thereunder supply to the Consumer and the Consumer shall take from the Trust water for domestic purposes on the said land as and from the First day of October One thousand nine hundred and eighty-one (hereinafter called "the date of commencement").*

2. *The Consumer shall at its own expense and to the satisfaction of the Trust provide and install all pipes and fittings which may be necessary for obtaining such supply from the Trust's pipeline at the corner of Edgecombe Road and Dettman's Lane, and shall so long as this Agreement remains in force keep the pipes and fittings within the said property in good order and in proper repair to the satisfaction of the Trust. Any authorized Officer of the Trust may at any time or times inspect and examine all or any such pipes or fittings.*

*The pipeline installed along Edgecombe Road will be taken over and maintained by the Trust on the First day of July, 1982 subject to the pipeline passing performance tests to the satisfaction of the Trust."*

91. What the August 1987 letter and the 1982 water reticulation agreement clearly show is that Mr Thompson was aware from at least August 1987 (if not September 1985 when a copy of the 1982 water reticulation agreement was provided to him) that the reticulated water supply was not present in 1979 but was in fact laid down in 1982. It follows that it has been open to Mr Thompson to "reflect" upon any legal consequence of these matters since at least August 1987. No conduct on the part of the Council at any time after August 1987 has prevented Mr Thompson from being
